Dam Access (via Sand Plant) Rules

- Only authorised members to access the dam (Visitors to be escorted by a member at all times).
- Only boats with a current 19/20 scrutinization are permitted on the dam.
- Access is only available on weekends and public holidays.
- You must contact Gary Pollock (0438782218) 12 hours prior to entering the dam. This is so we can let the plant manager know who's entering his site. Vehicle Rego numbers required.
- Washdown your boat on entry and exit at the usual area.
- Sign in and out at the wash point as usual.
- Always use the daisy chain method when locking the gates (Don't lock anyone out).
- If you arrive at the gates and they are open this means the sand plant is in operation this will usually occur on a Saturday. This means you will always use a spotter at the top of the dam wall to look for trucks at the blind spot. Walk from the bottom gate up to the crest of the hill to ensure its clear to pass.
- 20km Speed limit at all times.
- Sand plant vehicles always have right of way.
- Leave the gates as you find them (Open or Closed).
- Follow the signs and do not enter any other areas except those on the map supplied.
- A four-wheel drive vehicle is always to be used while launching boats.
- There is a toilet located at the boat ramp. Please keep this clean.
- Report any damage to the club president or a committee member.
- The river section is for skiing and barefooting only. NO TUBING
- Tubing to be done in the main part of the dam only and away from the banks.
- All normal dam rules apply (See dam rules at per agreement with TCC).

These requirements are "not negotiable" in relation to the Dam use, please ensure these requirements are met on all occasions.

We are very fortunate Townsville Graded Sands has agreed to allow us access via their work zone. Please be respectful of this privilege always.

Any breaches of the rules will be reviewed by the committee. The committee will have full authority to deny access to anyone not complying with these rules.

Remember SAFETY FIRST and have fun.
